3 Easy Steps to Finding an In-Network Provider

STEP 1: Go to SuperiorVision.com. In the “Locate a Provider” box, select your provider network, enter your city or ZIP code and click the “Locate” button. You can also click the “Advanced Search” button to search by mile radius, eye care provider’s name or practice name.

If you’re unsure of your provider network name, select “I don’t know” from the drop-down menu or click the “?” icon to view our helpful chart. You may also login to the member area of the website, select “Locate a Provider” from the navigation and your network will be auto-populated on the page.

STEP 2: Review the list of results from your search and choose an eye care provider.
- Call your selected eye care provider prior to your appointment to verify provider network participation, confirm services and acceptance of your vision plan.
- It’s important to note that not all providers at each office or optical store location are in-network providers, nor do they participate in all networks.

STEP 3: You may also call Customer Service at 800.507.3800 for assistance in locating an in-network provider.
