Healthcare **Bluebook**.

Healthcare Bluebook helps you save money on healthcare by empowering you with simple, clear price information so you can find the best value.

Prices among healthcare facilities can vary by up to 500% depending on where you go. In minutes you can find a Fair Price™ (green) facility and literally save thousands of dollars by choosing a different facility for common services such as imaging, diagnostic procedures, outpatient surgery, and more.

SETUP INSTRUCTIONS:

- 1 Download Healthcare Bluebook from the Apple App store or Google Play.
- 2 Launch the "Bluebook" app on your phone and click "MY EMPLOYER PROVIDES BLUEBOOK"
- 3 Enter your Mobile Code: VU and additional login information as prompted.

Now you have everything you need to...
